Subject: Professional Rules of Conduct

Dear Honorable Justices of the Supreme Court of the State of Montana,
I am writing in regard to a proposed change to the Professional Rules of Conduct governing attorneys put forth by the ABA. I believe these recommendations regarding the disciplining of attorneys who express political and religious views contrary to contemporary politically correct views held by those in the established realms of law and legal influence would violate and even work to destroy First Amendment rights, not only of attorneys, but eventually of all citizens, resulting in a tyranny and oppression of conscience, freedom of expression and of religion that would prove repugnant to all Montanans of every political or religious belief or expression. I therefore urge you to not adopt these un-American and unconstitutional proposed rules and allow Montana to continue to enjoy its rich heritage of freedom and cultural diversity. Thank you for your service in considering this petition.

Sincerely,
Keith & Nancy Simmons
